About QlikTech

QlikTech is the Business Answers company. Its flagship product, QlikView, enables organizations of all sizes to unlock the value of their data to make better decisions that improve business results. Unlike traditional BI solutions, QlikView delivers immediate value with payback measured in days or weeks rather than months, years, or not at all. Through QlikView's disruptive, in-memory associative approach, business users have experienced unprecedented success and satisfaction. QlikTech is the only company in this market that offers a 30-day money-back guarantee. QlikTech grew by 50% in 2008 and has more than 10,500 customers in 92 countries and more than 700 partners worldwide.
